

# Dec. QOV

## Ribbon Quilt

These directions are for a 6 inch block (finished in a quilt). At the bottom of the page is a list of different sizes.

For one Ribbon Quilt block you will need:

From your red, cut two 4 inch squares

From your darker blue, cut two 4 inch squares

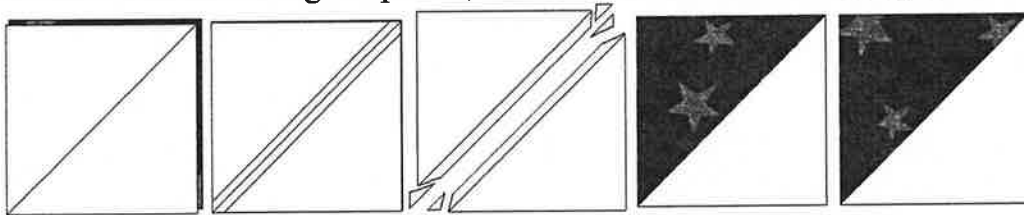

From your background (light blue), cut two 4 inch squares

From your star (white), cut two 4 inch squares and one  $3\frac{1}{2}$  inch square for your center square.

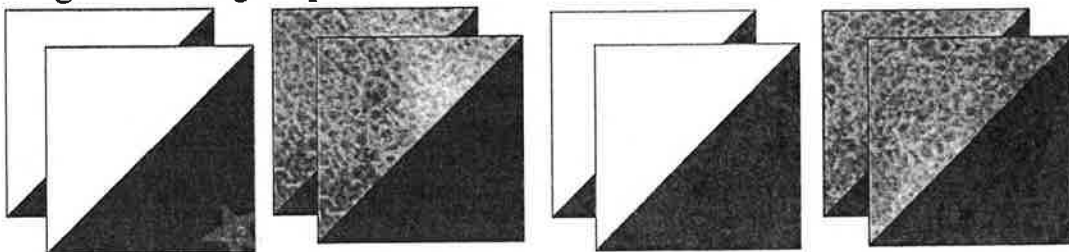

Let's make the red and white triangle squares first. Carefully draw a line corner to corner, (diagonally) through the white 4 inch squares. This will be a cutting line when you are finished. Place red and white 4 inch square right sides together.

Sew  $\frac{1}{4}$  inch on either side of your corner to corner to line, and cut this square in half on the drawn cutting line. Clip off the corners as shown.

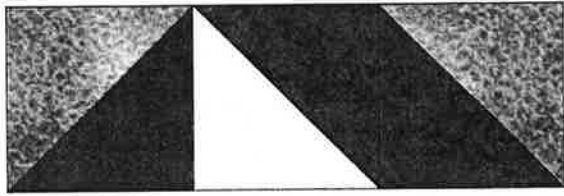

You will now have two triangle squares, which should measure exactly  $3\frac{1}{2}$  inches.

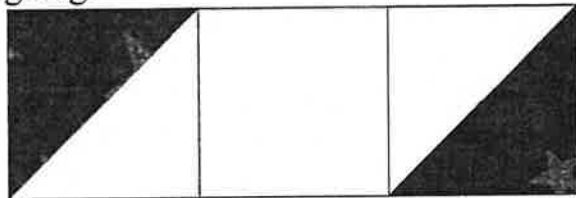

For this block you need two each of red/white, red/background, blue/white and blue/background triangle squares.

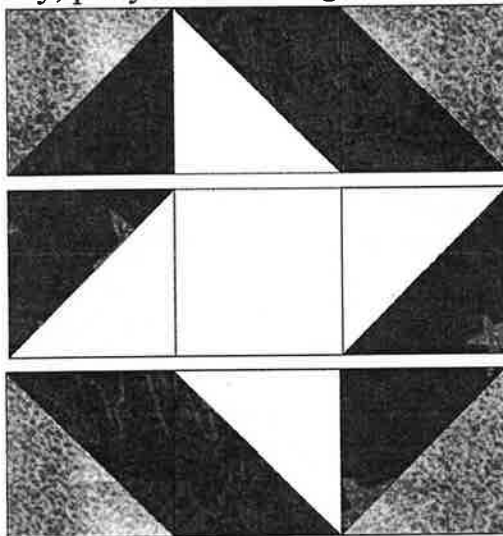

Sew two rows like this, paying close attention to the direction your triangle squares are going.

Make one row like this, again, pay attention to the way your triangle squares are going.

And finally, put your block together. It should measure  $9 \frac{1}{2}$

inches.
