

## Jacob's Ladder

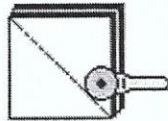

This makes a 12" block Cut 2 2 1/2 "x 25" strips, one background, one color. Cut 2 5" squares also.

Lay the Color 2 strip atop the Color 1 strip, and with a rotary cutter cut these two together into ten 2-1/2" squares...

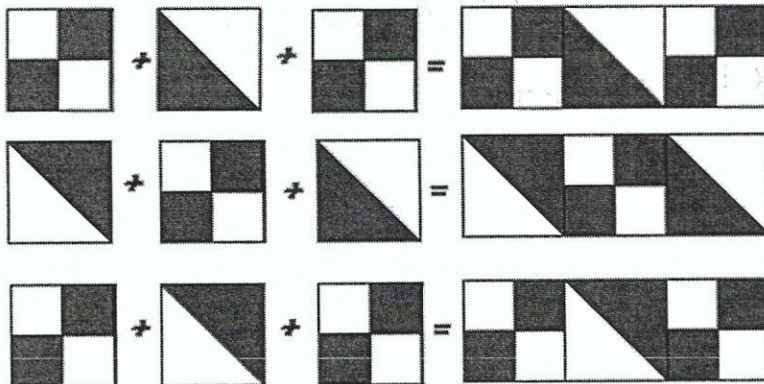

Using a 1/4" seam, sew these 2-1/2" squares together to make five four patch squares...

Stack the 5" squares and using the rotary cutter, cut them together on the diagonal...

Using a 1/4" seam, sew one Color 1 triangle to one Color 2 triangle...being careful not to stretch fabric. Press seam to darker side. Repeat this with remaining triangles to make four half squares. If needed, square these off to be 4-1/2" squares...now

Sew these rows together to make the block.
